

Twin Lakes Camping

APPENDIX A Golf Carts-2019

With the expansion of our campground has come a growth in the number of golf carts in use at Twin Lakes Camping. In order to ensure everyone's safety and enjoyment, we have created this golf cart policy.

Power

To prevent noise, **only electric or 4 stroke (quiet) engines** are presently allowed. In keeping with environment standards, electric is the way of the future.

Insurance

Golf carts must be **insured for use in campground** and proof of current insurance must be on file at the office. Most trailer insurance will add coverage for your golf cart at minimal cost.

Registration

All golf carts **must be registered** with office and must display camper's **lot identification number**.

Operation

Golf carts must be in good working condition and are limited to travelling on the park roads. For everyone's safety and enjoyment, they are **not allowed on the grass, beaches or walking paths**. **Golf cart are for personal use (registered owners) only and not to be borrowed by family and/or friends.** The operator must be at least 18 years old, have a valid driver's licence and cannot exceed speed limit (15kms/hr). Golf carts are **not to be used after dark** (between sunset and sunrise). Golf carts shall not carry more passengers than there is seating capacity.

Driving While Intoxicated

Driving a golf cart while intoxicated is just as dangerous for the driver, passengers and bystanders as it is in a car. The same rules apply within the park as they do on public roads. **No open alcohol in the vehicle, no drinking and driving, etc..**

In August of 2009, a man was charged, by the police, with driving while intoxicated after he struck a 5-year-old girl. He was driving a golf cart in a private campground near Ottawa, Ontario.

Contraventions will result in removal of privileges and golfcart from park

I have read and understand the above information and agree to abide by these conditions. I will keep my golf cart insured and in good working condition. I will operate my golf cart in a safe and respectable manner.
